## RHINO QUIZ ANSWERS

1. Zululand Rhino Orphanage
2. 4 rhinos
3. Makhosi and Mpilo
4. Every rhino counts and due to them being driven to the edge of extinction we must do all we can to protect every individual rhino. Rhinos are born in the wild and they belong in the wild.
5. They may go onto have rhino babies of their own which will increase the rhino population in the wild.
6. Whilst at the orphanage the rhinos are closely monitored and well cared for, being given medical care, food and enrichment. They are cared for to enable them to go big and strong. Before they are released they are dehorned and fitted with a radio collar.
