Keep Wildlife in the Wild

Our UK Wildlife Spotting Challenge
Can you spot wildlife in your garden or local area?

We are sure you will agree that wildlife belongs in the wild, but this does not just mean the animals living in Africa but also the wildlife here in the UK.

The UK has an abundance of wonderful wildlife which you can spot in your own garden and local areas. Take on our wildlife challenge and see if you can spot some of the wonderful wildlife living in the wild in the UK. Tip: they are smaller than rhinos!

Once you have spotted them all, you can share them with us on our Facebook page.

We are @helpingrhinos or email us at rhino@helpingrhinos.org

GOOD LUCK
See if you can spot these animals when you are in your garden or out for a walk with your family and draw a picture in the space below. Happy wildlife spotting.

1. Robin

2. Bumblebee
3. Rabbit

4. Butterfly

5. Swan
6. Hedgehog

7. Frog

8. Squirrel
9. Deer

10. Dragonfly

We hope you enjoyed spotting the wildlife in the UK, why not see if you can find ten more! Good luck and happy wildlife spotting.
