

Sudan, Najin and Fatu Quiz Answers

1. Najin is 31 years old and Fatu is 20 years old.
2. Najin and Fatu were both born at Dvur Kralore Zoo in the Czech Republic and Sudan was born in the wild in Africa.
3. Najin and Fatu now live at the Ol Pejeta Conservancy in Kenya.
4. Sudan was the last Northern White Rhino on the planet, he sadly died on 19th March 2018, he was 45 years old. He lived at Dvur Kralore Zoo for most of his life but in his later years was translocated to Ol Pejeta Conservancy and was able to once again experience his native African grasslands. He became famous around the world and a film was made about him called Kifaru.
5. Sudan is Najin's father and Fatu's grandfather.
6. Southern White Rhino Tauwa also lives with Najin and Fatu.
7. Fatu loves spending time with her mother and Tauwa, she also loves belly and ear rubs. Najin loves spending time with her daughter Fatu and they often sleep next to each other, she also loves spending time with Tauwa. Najin loves belly rubs.
8. James Mwenda and Joseph Wachira are two of the caretakers who care for Najin, Fatu and Tauwa and they also cared for Sudan.
9. The film is called Kifaru, which is an African word meaning Rhino.
10. One of the best things you can do to help Najin and Fatu and all rhinos is tell people about them, tell your friends and family that there are only two Northern White Rhinos left and that rhinos desperately need our help to prevent them going extinct forever. Tell your friends about #BeMoreRhino activities so that more people can learn about Najin, Fatu and Sudan. You could also adopt Najin or Fatu via our adoption programme <https://www.helpingrhinos.org/adoption-centre/> or you could fundraise for Helping Rhinos with your friends or at school to raise much needed funds to support rhino conversation.
