**The Black Mambas
Code of Honour**

Code of Honour

I am a **Mamba** hear me clear,
Poachers be warned, I have no fear.
Fauna and flora I **pledge** to protect,
there is always something to detect.

Eyes and **Ears** serve the ground,
here, there and all around.
From dusk till dawn, this **promise** I keep,
to **protect** the **voiceless**, while they sleep.

Sister to my left, Sister to my right,
we **promise** to stand together in this plight.
In this uniform we stand with **pride** and **unity**,
uplifting the people of the **community**.

Empower **mothers** to **educate**,
Our young **nature guardians** are at stake.
Honesty and **integrity** is what we strive,
whilst we keep our **heritage** alive.
I am a **Mamba**, let this be clear!
